- WCAHEC and the State Board of Nursing require students attend all classes and clinical practice to fulfill their requirements.
- An absence due to an emergency or illness will be evaluated on a case-by-case basis.
- The student must notify the Executive Director or the instructor **prior** to the missed class/clinical to be excused.
- If a student is absent due to an emergency or illness, the course work missed will be made up on the student's own time. If additional instructor time is required to assist the student with the make-up work or clinical practice, the student will reimburse WCAHEC for the instructor's fee (at a minimum of \$35.00 per hour). Make-up of a clinical practice is permitted at the discretion of the Executive Director/Program Instructor.
